

AbstractPizza

```
graph BT; ConcreteNYStyleVeggiePizza --> AbstractPizza
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box labeled 'AbstractPizza'. Below it is a gray rectangular box labeled 'ConcreteNYStyleVeggiePizza'. A blue arrow points vertically from the top center of the 'ConcreteNYStyleVeggiePizza' box to the bottom center of the 'AbstractPizza' box, indicating that 'ConcreteNYStyleVeggiePizza' inherits from 'AbstractPizza'.
